EASYLOCK-1

Modular system for large fabric prints

- Systemet består af rammer i mål 1000 x 1000, 1000 x 500, og 500 x 500mm. Rammerne samles med det smarte EASYLOCK handle - uden brug af værktøj. Systemet er fremstillet til montering af stofprint i storformat, enkelt- eller dobbeltsidet alt efter behov.
- The systems consists of three pre assembled frames -1000 x 1000 – 1000 x 500 – 500 x 500mm. The frames lock together with the EASYLOCK handle – no tools required. The system is designed to take large format fabric graphics – single or double sided.
- Die Systemrahmen sind in den Maßen 1000x1000, 1000x500, 500x500 mm erhältlich. Die Rahmen sind mit dem smarten EASYLOCK handle montiert und werden ohne Werkzeug miteinander verbunden. Das System ist für die Montage von großformatigen Stoffdrucken geeignet, ein- oder beidseitig je nach Bedarf.

EASYLOCK-1

Modular system for large fabric prints

- Ét enkelt print kan dække alle rammer.
F.eks. en væg i mål 2000 x 6000 mm bestående af 12 rammer i 1000 x 1000mm og ét print i 2000 x 6000mm.
Af tilbehør kan nævnes belysning, sidehængt dør, fodbeslag for fritstående væg eller display mm.

- A single print can cover all the frames. Example showing 12 frames at 1000 x 1000 covered by a single fabric graphic 6000 x 2000mm. Accessories include; lights – side hinged door – base plates – wall plates – bespoke items.

- Nahtlose Drucke sind möglich, die die Rahmen komplett verdecken. Beispiel: Eine Wand 6000mm breit und 2000mm hoch, bestehend aus 12 Rahmen 1000x1000mm und ein Druck 6000x2000mm. Als Zubehör gehören Beleuchtung, eine Tür mit Seitenanschlag, Fußbeschläge für freistehende Wände oder Displays.

- EASYLOCK-1 er velegnet til opbygning af messestande, salgsfremmende displays eller grafiske vægge, og kan anvendes på udstillinger, events, i butikker eller i showrooms.
Rammerne er fremstillet i aluminium og leveres samlet og klar til brug.
Systemet er stærkt og kan anvendes et utal af gange - det er fleksibelt og giver masser af muligheder for forskellige opbygninger.

- EASYLOCK-1 is designed for exhibition stands – promotional displays – graphic walls – visual merchandising – retail displays. The frames are delivered assembled and ready to use.
EASYLOCK-1 is a strong interchangeable system that can be used many times and in many different formats.

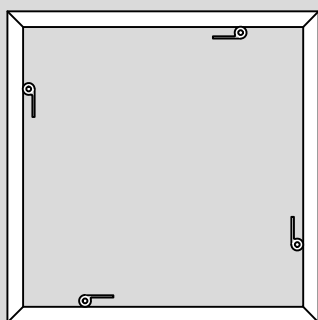

- EASYLOCK-1 ist für den Bau von Messeständen, Werbedisplays oder als Grafikwand geeignet und kann bei Ausstellungen, Events, im Ausstellungsraum oder Läden verwendet werden. Die Rahmen sind aus Aluminium gefertigt und kommen fertig zusammengebaut und einsatzbereit an. Das System ist stark und kann beliebig oft verwendet werden - es ist flexibel und bietet viele verschiedene Möglichkeiten der Aufstellung.

EASYLOCK-2

Modular fabric print

- Printet kan monteres i rammerne hjemmefra således det er nemmere at opstille standen. F.eks. en væg bestående af 12 rammer i 1000 x 1000mm og 12 stk. print i 1000 x 1000mm. Af tilbehør kan nævnes belysning, sidehængt dør, fodbeslag for fritstående væg eller display.
- The graphics can be mounted in the frames and transported to site. For example a wall constructed from 12 frames at 1000 x 1000mm would take 12 fabric graphics at 1000 x 1000 mm. Accessories include; lights – side hinged door – base plates – wall plates – bespoke items.
- Die Grafiken können an die Rahmen vormontiert werden, sodass der Aufbau am Einsatzort schnell erledigt werden kann. Beispiel: Eine Wand bestehend aus 12 Rahmen 1000x1000mm und 12 Drucke 1000x1000mm. Als Zubehör gehören Beleuchtung, eine Tür mit Seitenanschlag, Fußbeschläge für freistehende Wände oder Displays.

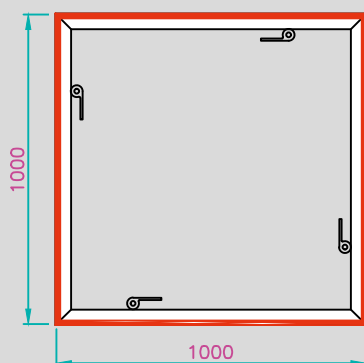

- EASYLOCK-2 er velegnet til opbygning af messestande, salgsfremmende displays eller grafiske vægge, og kan anvendes på udstillinger, events, i butikker eller i showrooms. Rammerne er fremstillet i aluminium og leveres samlet og klar til brug. Systemet er stærkt og kan anvendes et utal af gange - det er fleksibelt og giver masser af muligheder for forskellige opbygninger.
- EASYLOCK-2 is designed for exhibition stands – promotional displays – graphic walls – visual merchandising – retail displays. The frames are delivered assembled and ready to use. EASYLOCK-2 is a strong interchangeable system that can be used many times and in many different formats.

- EASYLOCK-2 ist für den Bau von Messeständen, Werbedisplays oder als Grafikwand geeignet und kann bei Ausstellungen, Events, im Ausstellungsraum oder Läden verwendet werden. Die Rahmen sind aus Aluminium gefertigt und kommen fertig zusammengebaut und einsatzbereit an. Das System ist stark und kann beliebig oft verwendet werden - es ist flexibel und bietet viele verschiedene Möglichkeiten der Aufstellung.

EASYLOCK-3

Modular magnetic panels

- Pladerne monteres med magnetbånd. Rammerne har stålband monteret på begge sider. F.eks. en væg bestående af 12 rammer i 1000 x 1000mm og 12 stk. plader i 1000 x 1000mm. Af tilbehør kan nævnes belysning, sidehængt dør, fodbeslag for fritstående væg eller display mm.
- The graphic panels requires magnetic tape (on the reverse) to fix to the steel strip in the framework. For example a wall constructed from 12 frames at 1000 x 1000mm would take 12 graphic panels at 1000 x 1000mm. Accessories include; lights – side hinged door – base plates – wall plates – bespoke items.
- Die Platten werden auf der Rückseite mit einem Magnetstreifen bestückt. Die Rahmen sind beidseitig mit Stahlbändern ab Werk vorbereitet. Beispiel: Eine Wand besteht aus 12 Rahmen 1000x1000mm und 12 Platten 1000x1000mm. Als Zubehör gehören Beleuchtung, eine Tür mit Seitenanschlag, Fußbeschläge für freistehende Wände oder Displays.

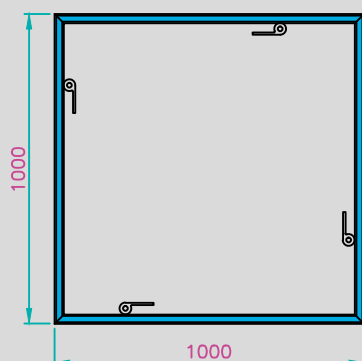

- EASYLOCK-1 er velegnet til opbygning af messestande, salgsfremmende displays eller grafiske vægge, og kan anvendes på udstillinger, events, i butikker eller i showrooms. Rammerne er fremstillet i aluminium og leveres samlet og klar til brug. Systemet er stærkt og kan anvendes et ual af gange - det er fleksibelt og giver masser af muligheder for forskellige opbygninger.
- EASYLOCK-3 is designed for exhibition stands – promotional displays – graphic walls – visual merchandising – retail displays. The frames are delivered assembled and ready to use. EASYLOCK-3 is a strong interchangeable system that can be used many times and in many different formats.
- EASYLOCK-3 ist für den Bau von Messeständen, Werbedisplays oder für Grafikwände geeignet, und kann bei Ausstellungen, Events, im Ausstellungsraum oder Läden verwendet werden. Die Rahmen sind aus Aluminium gefertigt und kommen fertig zusammengebaut und einsatzbereit an. Das System ist stark und kann beliebig oft verwendet werden - es ist flexibel und bietet viele verschiedene Möglichkeiten der Aufstellung.
